

**Melanie Barber's  
Whitby Hornpipe for Intermediates**

**February 2016**

This routine was specifically written for Whitby Folk Week Tuesday.

Supporting films can be found either by joining the Whitby Folk Week Group on Facebook, or searching 'Melanie Barber' on YouTube.

**Notes:** The routine should be danced 'off the toe' i.e. the ball of the foot, although some heel beats have also been incorporated.  
All shuffles are round unless prefixed 'Str' indicating a straight shuffle  
AB = Across Buckle e.g. right toe tap/ step across the left toe  
Flop = a very short sharp brush forward followed immediately by a step
