

Whitby Hornpipe for Beginners

February 2016

(Revised December 2021)

This routine was specifically written for Whitby Folk Week Community Facebook Group 'Toesday'
It introduces beginners to many basic clog movements as well as some
more complicated ones at a doable pace!

Supporting films can be found on YouTube; search 'Melanie Barber'

Notes: The routine should be danced 'off the toe' i.e. the ball of the foot, although some heel beats have also been incorporated.
Steps can be repeated off each foot
All shuffles are round unless prefixed 'Str' indicating a straight shuffle
AB = Across Buckle e.g. right toe tap/ step across the left toe
Flop = a very short sharp brush forward followed immediately by a step
